

FIREWORK EARRING

- ① SIT IN FRONT OF A MIRROR AND PUT THE EARRING ON YOUR PALM. HOLD IT WITH ALL YOUR FINGERS, DON'T HOLD THE WHOLE PIECE BY ONE SINGLE WIRE, OTHERWISE IT WILL BE DAMAGED.
- ② PUT THE POST IN THROUGH THE EARLOBE AND PUT THE BACK PART ON.
- ③ NOW POSITION THE EARRING UNTIL THE HOOK ON YOUR CARTILAGE FEELS COMFORTABLE.
- ④ IF THE HOOK FEELS LOOSE OR TOO HIGH, YOU MAY GENTLY BEND IT TO FIT YOUR EAR— BUT, PLEASE, NO MORE THAN ONCE.
- ⑤ MAKE SURE LONG HAIR DOESN'T GET INTO THE WIRE RAYS. TAKE OFF THE PIECE BEFORE SLEEP.
